

QUAIL CREEK CC WOMEN (QCLGA)

STANDING RULES

1. The player must be current with QCLGA dues, must have a current AZ, USGA handicap which can be verified by the Tournament Chair; and must have signed up to play. The player must check in with the Tournament Coordinator at least 15 minutes before her allotted time the morning or afternoon of play. Entry fees must have been paid by Robson Member Card or at the Pro Shop. Entry fees are non-refundable. New members will be allowed to play on Ladies' Play days, but not in competition until a handicap is established.
2. The maximum handicap for 18 holes is 40. Any higher handicap will be adjusted to the maximum. For Partner Games, there is a maximum course handicap differential of 10 between the players, and the higher handicap is will be reduced accordingly.
3. A minimum number of sixteen (16) players is required to sign up and pay for each game. Players must sign up for play days through the Golf Genius System. The cutoff time for signing up is noon, Monday, prior to the Thursday play day. Any requests to play after this time must be made by calling the Tournament Coordinator. Requests will be honored on a space-available basis. If a player cannot play or make her tee time, she must call BOTH the Tournament Coordinator and the Pro Shop.
4. If a player does not show up to play or does not call to cancel at least one-half hour prior to the day's play, she may be assessed up to four (4) points in the Chelsea system. The Board shall decide penalties if additional infractions occur. Exceptions to this rule will be made at the sole discretion of the Board.
5. All players are expected to complete all holes unless the game allows dropouts.
6. The official score card and the 'ringer-backup' scorecard must be signed and attested prior to submission to the Tournament Coordinator. If they are not signed and attested, ALL players on the card will be disqualified. To avoid error, verify scores hole by hole, not just at the end of the round.
7. **SCORE POSTING POLICY:**

The QCLGA **Handicap Committee** is responsible for ensuring compliance with its obligations under the World Handicap System in accordance with the **Rules of Handicapping** and the USGA.

The Handicap Committee is required to conduct periodic reviews for timely posting of acceptable scores. An acceptable score occurs when the player plays her own ball in accordance with USGA rules.

All *acceptable scores* are to be posted as soon as possible after the round is completed and before midnight local time using one of the following methods:

- Mobile GHIN app,
- AZ Golf website.
- The Tournament Committee shall post all post-able Ladies Day scores.

The Arizona Golf Association recommends that all acceptable scores be posted hole-by-hole.

For an 18-hole score to be acceptable for handicap purposes, a minimum of 10 holes must be played. If you only play 10-17 holes, you **MUST** post that score hole-by-hole.

For a 9-hole score to be acceptable for handicap purposes, all 9 holes must be played. If a player has not played at least 9 holes, the score is not acceptable for handicap purposes.

Ultimately, it is the responsibility of each Player to make sure scores are posted correctly and **TIMELY**.

8. **MAJOR TOURNAMENTS:**

Eligibility to play in these tournaments is the same as #1 above. The entry fee for each major or multi-day tournament is due on the first day of the tournament. Sign up for these tournaments will be done through the Golf Genius system as outlined in #3 above.

9. Proper **ETIQUETTE** and **SPORTSMAN-LIKE CONDUCT** shall be observed while on the course and during play. Penalties for breach of etiquette may be imposed under Article III of the QCLGA By-Laws and/or USGA Rule 1.2a.
10. The use of USGA approved range finders for distance is allowed on all ladies' tournament play days. Devices that display slope and wind correction are illegal and players will be disqualified for having them turned on.
11. All Committee Chairs must maintain a comprehensive Policy and Procedure Manual. These manuals shall be provided to the succeeding committee chairs. Policies and procedures shall not be changed without Board Approval.
12. When all the Board candidates run unopposed, the Board will confirm those candidates at the annual fall meeting.
13. Standing Rules may be amended by presentation to and approval by the Board and confirmation by a vote of the members either electronically or at a General Meeting.
